Agenda item: 2 – Review of action items

PENDING ACTION ITEMS FROM LAP11 & LAP12

From LAP11:

Action item 11: The Secretariat to invite the Council to add a new task on the e-NAV Committee work programme: the production of a paper on the reliability of AIS data by technical experts for use at courts. Such a paper would be an IALA document submitted to the Council for approval.

Status: input paper LAP13-10.1

Action item 13: Stefan Jenner to prepare an input paper to LAP12 aiming at developing a legal base for harmonized AIS data protection.

Status: input paper LAP13-11.1

From LAP12:

Action item 9: IALA to consider plans for staff social protection [in the context of the change of legal status]

Status: pending

Action item 11: The Secretary General to prepare draft General Regulations that would be annexed to the International Agreement but not part thereof, timely enough to send it to the Councillors with the information package. The General Regulations will be reviewed at the next LAP meeting.

Status: pending

Action item 13: Jon Price to work on the IWRAP disclaimer and make proposals before LAP13

Status: input paper LAP13-13.1
