

The IALA World-Wide Academy

Education, Training and Capacity Building

Brief to ARM5

The World-Wide Academy

- Inaugurated January 2012
- Independently funded

Functions:

- 1. *Education and training*
- 2. *Capacity building, and*
- 3. *Research and development*

Strategic Objectives

Focus is on the second Goal set out in IALA's strategic vision:

- *that all coastal states have contributed to an efficient global network of aids to navigation and services for the safety of navigation, through capacity building and the sharing of expertise.*

WWA Main Strategic Objectives:

- Focus on those with greatest need
- Review of progress within Target States
- At least one training hub in each region
- Delivering as One
- Connecting people

... and indeed you help The Academy a lot, through all sort of sponsoring and participation.

During those four years, thanks to the IALA family, The Academy was able to organize :

- **20** Awareness seminars for AtoN and/or VTS all over the world (**100** participating countries)
- **16** Need assessment missions
- **7** High-level visits

- 3 Four-week level 1 AtoN Manager courses at IALA HQ + participation to 6 courses organized by China, France and Spain (>100 certified managers, more in developing than developed countries)
- 4 One-week training seminar on risk management (81 certified)
- 13 missions to assist countries to organize AtoN and VTS training

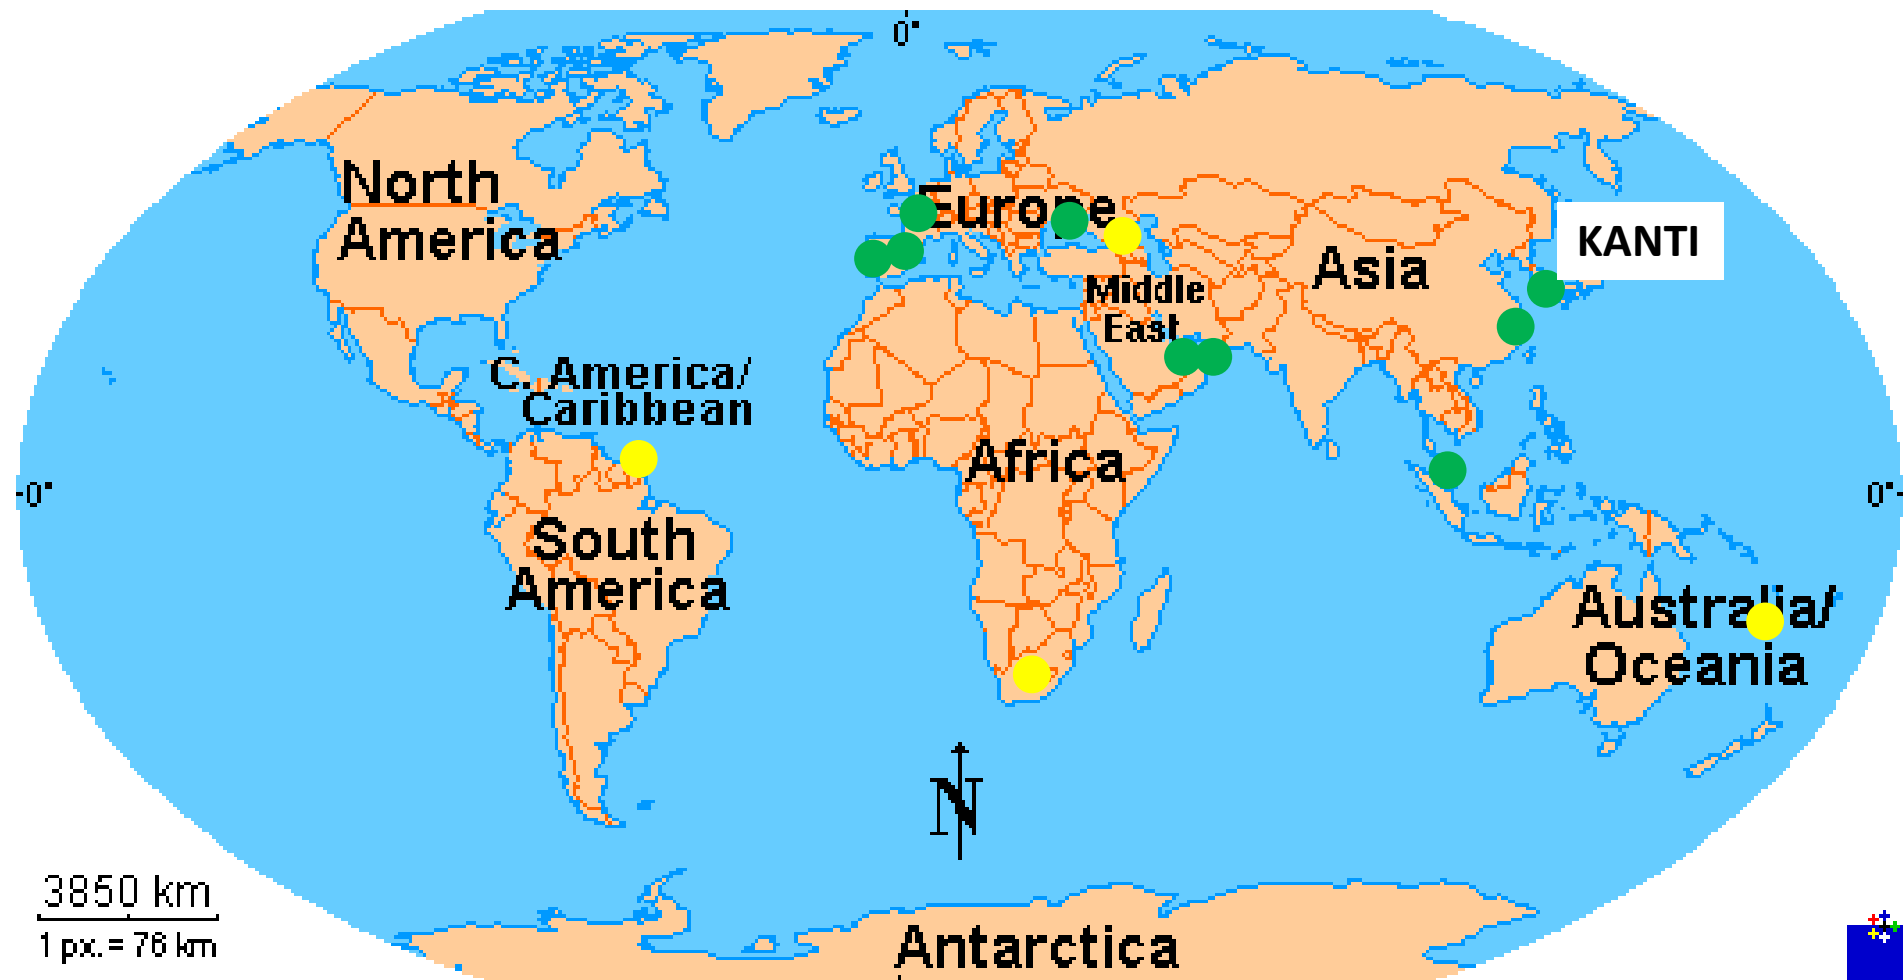

IALA WWA – number of AtO's

Accredited Training Organisations (AtoN)
