LIAISON NOTE TO ITU-R WORKING PARTY 5B

WORKING DOCUMENT TOWARDS A PRELIMINARY  
DRAFT NEW REPORT ITU-R M.[VDES-SAT]

IALA reviewed the working document towards a preliminary draft new report ITU-R M.[VDES-SAT] contained in document [5B/411](#) (Annex 27).

All the concerns raised during the last WP 5B meeting have been taken into account and carefully studied by IALA.

Accordingly, IALA proposes a few additions and modifications to the working document towards a PDN Report ITU-R M.[VDES-SAT], which are contained in the attachment.

**Actions requested**

IALA kindly asks ITU-R WP 5B to take into consideration these proposals in their further work on this working document. Furthermore, it is the opinion of IALA that all necessary studies have been completed. Thus, IALA proposes to upgrade the status of this working document to PDN Report ITU-R M.[VDES-SAT].
