

IALA COUNCIL 70th session

9-13 December 2019
Noumea
New Caledonia

15 – MEMBERSHIP

15.2 – Resignations from membership

Note by the Secretariat

BACKGROUND

Since the last Council session, the Secretariat has received 5 resignations from membership. **1** from **National membership** and **4** from **Industrial membership**. It is important to note here that these resignations were not made spontaneously, but as a reply to the reminders of unpaid contributions and action items 11 & 12 of Council 69th session.

From National Membership

- **Port Autonome de Cotonou, Benin.** This Organization has been a member since 1962. Resignation was received on July 15th due to a restructuring and new reforms that also impact the budget allocated to international organizations contributions.

From Industrial Membership

- **Ecobarrier Manufacturing LLC, United Arab Emirates.** This Organization has joined in 2017. The company was shut down 2.5 years ago due suspension of manufacturing and foreclosure.
- **Nautel Limited, Canada.** This organization has been a member since 2007. After consideration, the new management has decided to discontinue IALA membership.
- **Shindong Digitech, Rep of Korea.** This Organization became a member in 2014. The Company was split into two and has decided to withdraw its membership.
- **Carmanah Technologies Corp, Canada.** This organization has been a member since 2000. They have sold out all signal business and are no longer involved in marine industries which are now operated by Sabik Oy.

THE COUNCIL IS REQUESTED TO

Note the resignation of all organizations listed above.
