# The Future

From a Non-Governmental Organization to an Intergovernmental Organization

INTERNATIONAL ASSOCIATION OF MARINE AIDS TO NAVIGATION AND LIGHTHOUSE AUTHORITIES

# Core Values

From a workshop at Irish Lights, Dublin, 6-7 July 2017

# Developed with Irish Lights

Value:

## **Credible**

Meaning: **To be credible means being recognized, respected, trustworthy and reliable**

What we do:

- **We provide a world-wide and high-quality service**
- **We drive the development of state-of-the-art technologies within Marine Aids to Navigation**
- **We engage the world's leading experts to develop our products**

Value: **Dynamic**

Meaning: **To be dynamic means actively and continuously striving to improve**

What we do:

- **We respond quickly to the needs of the maritime community**
- **We adopt flexible working arrangements to stay agile**
- **We encourage and stimulate innovation through awareness of global maritime developments**

Value:

## **Result-oriented**

Meaning: **To be result-oriented means to focus on outcomes rather than processes**

What we do:

- **We set clear objectives and goals with defined timelines**
- **We create high-quality technical documents that are practical, usable and easily accessible**
- **We produce outcomes that are non-political and non-commercial**

Value:

## Connecting

Meaning: **To be connecting means to reach out to individuals and organizations in order to share knowledge and experience and to provide support to achieve common goals**

What we do:

- **We welcome individuals and organizations from around the world**
- **We bring together experts and facilitate exchange of knowledge and experience**
- **We assist the maritime community in meeting its international obligations**

## Technical Operations Manager (Minsu)
